AAPSCM® CERTIFICATION

American Certified Global Procurement & Cross-Border Supply Professional (AC-GPCS)®

Global Procurement and Cross-Border Supply Chain Management

About this certification

Global procurement introduces unique challenges and opportunities. As companies expand internationally, procurement professionals must navigate cross-border regulations, cultural differences, and complex logistics. The Global Procurement and Cross-Border Supply Chain Management program provides participants with the knowledge and skills to manage international procurement effectively, optimize global supply chains, and foster cross-border relationships that support organizational goals.

Who Should Enroll?

- Procurement and supply chain professionals managing international suppliers.
- Business leaders involved in global sourcing and logistics.
- Professionals aiming to deepen their expertise in cross-border procurement.
- Individuals seeking to develop skills for multinational or global roles in procurement.
