AAPSCM® CERTIFICATION

American Certified Procurement Automation & RPA Professional (AC-PARP)®

Automate. Optimize. Comply. Transform Procurement.

About this certification

The American Certified Procurement Automation & RPA Professional (AC-PARP)® certification equips professionals with the skills to streamline procurement processes using advanced automation and Robotic Process Automation (RPA), reducing costs, improving efficiency, and enhancing accuracy across procurement operations. The program focuses on leveraging automation and RPA technologies to transform traditional procurement practices. It is designed for professionals who aim to reduce manual tasks, accelerate workflows, and create agile procurement systems that deliver significant operational value.

Who Should Enroll?

- Procurement professionals who want to streamline procurement processes with automation and RPA.
- Professionals who aim to reduce manual tasks and accelerate procurement workflows.
- Teams working to create agile procurement systems that deliver significant operational value.
- Professionals focused on reducing costs, improving efficiency, and enhancing accuracy across procurement operations.
