AAPSCM® CERTIFICATION

American Certified Procurement Leadership & Change Management Professional (AC-PLCM)®

Lead Procurement Transformation. Drive Change. Deliver Sustainable Value.

About this certification

Effective procurement requires not only strategic thinking but also strong leadership skills to navigate change and drive organizational success. The Procurement Leadership and Change Management program empowers professionals with the skills to lead teams, implement transformative procurement strategies, and manage change within procurement functions. This program is designed for professionals looking to advance into leadership roles and shape the future of procurement through vision, influence, and strategic direction.

Who Should Enroll?

- Mid- to senior-level procurement professionals preparing for leadership roles.
- Current procurement managers seeking to enhance their leadership and change management skills.
- Team leaders responsible for driving procurement transformation within their organizations.
- Professionals looking to cultivate skills in strategic decision-making and organizational change.
