AAPSCM® CERTIFICATION

Certified Contract Management Consultant (CCMC)®

Become a Trusted Contract Management Consultant. Lead Transformation. Advise Executives. Deliver Measurable Value.

About this certification

The CCMC® is an elite, advisory-level certification for professionals who provide consulting, advisory, and transformation services in contract management, procurement, and supply chain. It prepares you to diagnose contract management challenges, design enterprise solutions, implement transformation initiatives, advise executive leadership, and deliver measurable business outcomes.

Key Learning Outcomes

- Apply consulting frameworks and methodologies.
- Conduct organizational contract maturity assessments.
- Develop enterprise transformation roadmaps.
- Advise on governance, compliance, and regulatory frameworks.
- Leverage AI tools for contract analytics.
- Design risk-based advisory solutions.
- Lead client engagements and stakeholder alignment.
- Deliver measurable business value.
