AAPSCM® CERTIFICATION

Certified Global Event & Destination Manager (GEDM)®

Orchestrating World-Class Events, Advancing Destination Excellence, and Creating Transformative Global Experiences

About this certification

The GEDM® program develops the strategic, operational, and leadership competencies required to plan, manage, and deliver international events and destination-based experiences. It integrates strategic event management, destination management, global logistics coordination, risk management, and leadership and stakeholder engagement.

Highlights

- **Focus:** Equips professionals with the skills to plan, coordinate, and evaluate large-scale international conferences, festivals, and corporate events while integrating destination management.
- **Why It's Modern:** Combines cross-cultural leadership, operational risk preparedness, and data-driven, technology-enabled event management.
- **Ideal For:** Event planners, destination marketers, and hospitality professionals looking to master international event operations.
