AAPSCM® CERTIFICATION

Certified Global Event & Destination Professional (GEDP)®

Professional Certification in International Event Planning, Destination Development, Event Operations, Digital Event Technologies, Visitor Experience Design, Sustainable Events, and Global Tourism Innovation

About this certification

The Certified Global Event & Destination Professional (GEDP®) is a foundational professional certification designed to develop and assess knowledge of global event management and destination experience development. The program integrates traditional event management principles with contemporary practices, including hybrid events, digital registration, audience engagement technologies, event analytics, responsible procurement, sustainable event operations, and inclusive visitor experience design.

Key Learning Outcomes

- Explain global event and destination concepts.
- Plan and coordinate event logistics and operations.
- Use digital technologies for event delivery and engagement.
- Apply marketing strategies to attract global participants.
- Design memorable, visitor-centered event experiences.
- Analyze event data and performance metrics.
- Implement sustainable and inclusive event practices.
- Support destination branding and tourism development.
