AAPSCM® CERTIFICATION

Chartered Healthcare Procurement Solutions Manager (CHPM)®

Lead Strategic Procurement Solutions in Healthcare Systems

About this certification

Healthcare organisations operate within highly complex supply chain environments that require efficient procurement systems, regulatory compliance, supplier risk management, cost optimisation strategies, and technology-enabled procurement solutions. Hospitals, health systems, pharmaceutical companies, and healthcare service providers must ensure that medical supplies, pharmaceuticals, equipment, and critical healthcare services are procured efficiently, transparently, and sustainably.

Participants Will Learn How to:

- Develop healthcare procurement strategies aligned with clinical and operational requirements
- Manage complex supplier networks for medical products and services
- Implement cost optimisation and value-based procurement strategies
- Apply digital procurement technologies and healthcare supply chain analytics
- Ensure regulatory compliance in healthcare procurement processes
- Strengthen supplier risk management and healthcare supply chain resilience
- Lead healthcare procurement transformation initiatives
