AAPSCM® CERTIFICATION

Chartered Healthcare Supply Chain Transformation Executive (CHSTE)®

Lead Healthcare Supply Chain Transformation at the Executive Level

About this certification

The CHSTE® is an executive-level certification that develops leadership expertise in healthcare supply chain strategy, digital transformation, procurement innovation, supplier management, risk resilience, sustainability, and enterprise performance. Designed for senior leaders, the program prepares you to lead large-scale healthcare supply chain modernization initiatives across hospitals, health systems, pharmaceutical companies, and medical device organizations.

Certification Learning Outcomes

- Develop enterprise healthcare supply chain strategies.
- Lead digital transformation of healthcare procurement.
- Implement advanced analytics and AI solutions.
- Design resilient healthcare supplier ecosystems.
- Integrate procurement, logistics, and clinical supply plans.
- Strengthen supplier collaboration and strategic sourcing.
- Manage global supply risks and disruptions.
- Align transformation initiatives with healthcare goals.
